In consultation with the programs listed, the Regina Region Local Immigration Partnership (RRLIP) developed this list of **Conversation Circles** (English and French practice opportunities) to facilitate easy access of information for newcomers and agencies, as well as to enable the quick referral of learners.

Other community programs that run on an irregular or short-term basis, are not included.

If you are aware of other long-term English or French practice programs, please **call 306-529-6505** or **email info@rrlip.ca** The RRLIP relies on community to share changes and/or additions to the list.

The RRLIP is a community initiative that enhances collaboration and coordination, fostering a more welcoming community where newcomers are fully engaged and integrated.
